

**Potential Key Observation Points (KOP) Locations.**

<b>Potential KOPs</b>	<b>Proposed Location For KOP Photograph(s)</b>	<b>Why Being Considered for Selection</b>
<b>Recreation Areas</b>		
Dark Canyon (West Branch)	Shoreline area used for fishing and car top boat launching.	<ul style="list-style-type: none"> <li>• Could represent views of bank anglers from an upstream location in the West Branch.</li> </ul>
Nelson Bar (West Branch)	Car top boat launching area with bank angling, photo from above boat launching area.	<ul style="list-style-type: none"> <li>• Could represent views of bank anglers from an upstream location in the West Branch.</li> <li>• Probably only need one KOP from this location.</li> </ul>
Lime Saddle (West Branch)	Several possible locations – <ul style="list-style-type: none"> <li>• Top of boat ramp</li> <li>• Overlook area</li> <li>• From docks at marina</li> </ul>	<ul style="list-style-type: none"> <li>• Need to include this area because it is the largest and most developed recreational lakeside development at the project.</li> <li>• Suggest choosing more than one KOP here.</li> </ul>
Floating restrooms at West Branch		<ul style="list-style-type: none"> <li>• Is a popular facility, may be appropriate to have a KOP here.</li> </ul>
Other Boat In Only Places? <ul style="list-style-type: none"> <li>• Potter's Ravine?</li> <li>• Foreman Creek?</li> <li>• Bloomer?</li> <li>• Goat Ranch?</li> </ul>		<ul style="list-style-type: none"> <li>• We don't need to have KOPs at all of these locations, but may consider choosing representative sites.</li> </ul>
Lake Oroville Spillway	Several possible locations – <ul style="list-style-type: none"> <li>• Top of boat ramp</li> <li>• Picnic area</li> <li>• Bank fishing area</li> </ul>	<ul style="list-style-type: none"> <li>• Is a popular recreation area.</li> <li>•</li> </ul>
Visitor's Center	From observation tower	<ul style="list-style-type: none"> <li>• One of most popular recreation/education facilities at project.</li> </ul>
Stringtown (South Fork)	Top of boat launch area.	<ul style="list-style-type: none"> <li>• Would represent views of bank anglers from an upstream location in the South Fork.</li> </ul>
Enterprise Area (South Fork)	Top of boat ramp.	<ul style="list-style-type: none"> <li>• Would represent views of recreationists launching boats from an upstream location in the South Fork.</li> </ul>
Feather Falls Lakeside Viewing Area	Upper end of Middle Fork	<ul style="list-style-type: none"> <li>• Popular area for view for viewing Feather Falls</li> </ul>
Craig Saddle (Middle Fork)	Boat in camping	<ul style="list-style-type: none"> <li>• Selected to represent views of boat in campsites.</li> </ul>

**Potential Key Observation Points (KOP) Locations.**

<b>Potential KOPs</b>	<b>Proposed Location For KOP Photograph(s)</b>	<b>Why Being Considered for Selection</b>
Loafer Creek	Boat ramp Camping area Swimming area Equestrian Trail	<ul style="list-style-type: none"> <li>Major water oriented recreational area at project. Could select more than one KOP from here. Include KOP(s) from equestrian area).</li> </ul>
Bidwell Bar Suspension Bridge	Area near bridge with views of lake	<ul style="list-style-type: none"> <li>Represents views of the project visitors at a popular "attraction" see.</li> </ul>
Bidwell Canyon	Several possible locations - <ul style="list-style-type: none"> <li>Boat ramp</li> <li>Fishing area</li> <li>Camping area</li> </ul>	<ul style="list-style-type: none"> <li>Major water oriented recreational area at project</li> <li>Could select more than one KOP from here</li> <li>Include KOP(s) from equestrian area)</li> </ul>
Diversion Pool Recreation Area	Picnic area	<ul style="list-style-type: none"> <li>Area with views of the diversion pool</li> </ul>
Diversion Pool Trails	North side South side	<ul style="list-style-type: none"> <li>Trails have views of diversion pool from multiple locations</li> </ul>
Thermalito Forebay North Recreation Area	Does this area get enough use to justify more than one KOP?	<ul style="list-style-type: none"> <li>Views from top of boat ramp and possibly one other location (swimming area?).</li> </ul>
Thermalito Forebay Recreation Area	Bike trail	<ul style="list-style-type: none"> <li>Selected views from the bike trail</li> </ul>
Thermalito Forebay South Recreation Area	Does this area get enough use to justify more than one KOP?	<ul style="list-style-type: none"> <li>Views from the top of the boat ramp and possibly one other location (swimming area).</li> </ul>
Thermalito Afterbay	Does this area get enough use to justify more than one KOP?	<ul style="list-style-type: none"> <li>Views from the top of the boat ramp and possibly one other location (swimming area).</li> </ul>
Monument Hill	Swimming area	<ul style="list-style-type: none"> <li>Views from shoreline area</li> </ul>
Oroville Aviation Corp for Model Aircraft	?	<ul style="list-style-type: none"> <li>?</li> </ul>
Oroville State Wildlife Area River Outlet	Along shoreline area popular with anglers	<ul style="list-style-type: none"> <li>Popular area</li> </ul>
Feather River Fish Hatchery	Location?	<ul style="list-style-type: none"> <li>Views of the project waters from an area at the hatchery to represent what visitors see.</li> </ul>
Feather River Nature Center	From banks of river.	<ul style="list-style-type: none"> <li>Views of diversion pool and fish barrier from banks of pool</li> </ul>
Trails on dikes north of central Oroville	One or two locations.	<ul style="list-style-type: none"> <li>Views of diversion pool from road and trail</li> </ul>

**Potential Key Observation Points (KOP) Locations.**

<b>Potential KOPs</b>	<b>Proposed Location For KOP Photograph(s)</b>	<b>Why Being Considered for Selection</b>
Oroville Wildlife Area (South)	What would be good areas to located KOP(s)?	
<b>Highways &amp; Roads</b>		
Oroville Dam ____ Road	Overlook Road	<ul style="list-style-type: none"> <li>Represents views of people driving on the road over the dam.</li> </ul>
Oroville Dam Blvd.	Segment below dam - More than one KOP?	<ul style="list-style-type: none"> <li>Views of dam and area below from road</li> </ul>
Lumpkin Road Bridge (South Fork)	Near end of bridge	<ul style="list-style-type: none"> <li>Views of pool at upper end of South Fork that motorists see when driving over bridge</li> </ul>
Nelson Road		<ul style="list-style-type: none"> <li>Passes over Thermalito Forebay and provides views of Forebay to motorists</li> </ul>
State Highway 162 (Oroville Dam Blvd. West)		<ul style="list-style-type: none"> <li>Views of Thermalito Afterbay as crosses over afterbay</li> <li>Views of diversion pool as enter City of Oroville</li> </ul>
Highway 70 crossing of power canal		<ul style="list-style-type: none"> <li>Represents views of people driving Highway 70.</li> </ul>
Highway 70 crossing of diversion pool		<ul style="list-style-type: none"> <li>Represents views of people driving Highway 70.</li> </ul>
Larkin Road		<ul style="list-style-type: none"> <li>Views of Thermalito Afterbay and Oroville Wildlife Area</li> </ul>
Highway 99		<ul style="list-style-type: none"> <li>Views of Thermalito Afterbay dike and project boundary for motorists driving on Highway 99</li> </ul>
<b>Other Viewpoints</b>		
Kelly Ridge homes		<ul style="list-style-type: none"> <li>Consider selecting location(s) that represent views from this area</li> </ul>
Views from within the City of Oroville		<ul style="list-style-type: none"> <li>Consider selecting locations from within the city that have views of project facilities (i.e., the dam) to represent what the residents of Oroville see.</li> </ul>
<b>Mitigation Areas</b>		
Fuel load management treatment areas		<ul style="list-style-type: none"> <li></li> </ul>
Aesthetic resource mitigation efforts		<ul style="list-style-type: none"> <li></li> </ul>
Wildlife resource mitigation efforts		<ul style="list-style-type: none"> <li></li> </ul>
Recreation Resource mitigation efforts		<ul style="list-style-type: none"> <li></li> </ul>
E & O (erosion control downstream?)		<ul style="list-style-type: none"> <li></li> </ul>
